"Three years ago, my father was diagnosed with a terminal form of cancer. I feel blessed to have had three years with him when some families are not given much time. Supporting him through this illness has taught me many lessons, but importantly how precious each moment is. Please help us cure cancer in our lifetime. It's as easy as purchasing the Kur for a Cure cocktail. We will donate a portion of the proceeds from each cocktail to the American Cancer Society."

-Amanda Kessler, Beardslee Public House manager
