OUR OWN SMALL BATCH SPIRITS

HAND-CRAFTED ON SITE • 2oz POURS

In the spirit of farmers from colonial times who maximized local crops by making distillates from excess fruit and grain, we source nearly all of our ingredients from local farms. Ninety percent of the produce used for distilling Wildwood Spirits—from winter wheat, to Braeburn apples, to Douglas Fir—is grown in Washington state. All our spirits are handcrafted in small batches on site in our distillery below the restaurant.

THE DARK DOOR BOURBON 18

made using organic non-gmo corn and white wheat from washington state. aged for two years in new, high-char, missouri barrels. complex notes of toffee, caramel, orange flowers, and vanilla make this a fan-favorite whiskey

RENDITION RYE 18

a five-year straight rye whiskey, is one of the newest (yet oldest!) additions to wildwood spirits co.'s portfolio. finished in the dark door bourbon barrels, rendition unites aromas of citrus, cinnamon and baking spice with flavors of white pepper, mocha and vanilla for a lengthy, rich finish. a delightfully smooth and refined rye

THE PROFESSOR WHEAT 18

an irish-style whiskey made with washington winter wheat and malt. distilled three times before aging, it spends three years in american oak barrels that previously housed the dark door bourbon. light in body and texture, with hints of caramel and marzipan winding around a floral backbone

KUR GIN 11.5

kur (pronounced 'cure') gin is made in the london dry gin style and is produced with washington heirloom variety red winter wheat. a backbone of classic juniper aromas and flavors are emphasized with the subtle citrus of seville oranges, as well as douglas fir and braeburn apples from co-founder erik liedholm's backyard
